

**S.Y. B.Sc. Botany students as a part of their assignment
undertook some duties in maintaining the campus.**

Academic Year – 2016-'17

(Photos -1 to 6 – maintenance of botanical garden, fernery & green house)

7. Energy saving initiatives

8. Segregation of waste

9. Cloth bags prepared by students

10. Power point presentation by students on 'Energy conservation'

11. Medicinal herbs grown by the students

12. Pledge taken by students on 'discriminate use of plastic'

Pledge taken by S.Y B.Sc. students

“I, the student of Carmel college, pledge to say ‘no’ to plastic bags and use reusable bags whenever possible. I will keep reusable bags in my car, backpack and purse so that I have them when need them. I hereby pledge that I will only use biodegradable materials as far as possible in my day to day life and propagate this message to the world that the Earth remains clean and green.”
