

CONTRIBUTION BY P.G DEPARTMENT (COMMERCE)

As a part of 'Carmel for cool world' initiative, the M.Com Dept. of Carmel college for women distributed 64 saplings to all the staff and students on their birthdays. This was done to cultivate a sense of responsibility among the staff and students towards protecting the environment. The M.Com Dept. has also started giving saplings as memento to all the guest speakers invited by the department to symbolize the importance of protecting environment.

The M.Com department expresses its deep gratitude for such an amazing initiative.

Regards,

Rakhi Raj
(Asst.Prof. M.com Dept.)
