

## **Department of Political Science**

### **Program Specific Outcome**

A course in Political Science enlightens the students to gain knowledge about the structure and functioning of the state and government. It introduces them to the ideas of Political Thinkers whose works have shaped contemporary politics and governance. The students also learn about global affairs and administration.

The course also sensitises the students to human rights, gender equality and contemporary issues. It inculcates the skills of leadership and techniques of survey research. Completion of the course empowers the students with the knowledge of the different domains in Political Science.
