DEPARTMENT OF MATHEMATICS & STATISTICS

Presents

BODMAS:
The Boundless Brains
A Students Club

Where logic meets creativity
& numbers come alive.

ABOUT THE CLUB

'BODMAS – The Students' Club is an initiative of the Department of Mathematics at Carmel College of Arts, Science & Commerce for Women, Nuvem-Goa. The club is dedicated to fostering curiosity and nurturing a deeper appreciation for Mathematics beyond the classroom.

BODMAS showcases the practical relevance and creative dimensions of Mathematics by organizing quizzes, competitions, workshops, and interactive sessions. It provides students with a platform to develop critical thinking, strengthen analytical reasoning, and cultivate teamwork skills in an engaging and collaborative environment.

OBJECTIVES

- Promote interest and confidence in mathematics.
- Strengthen logical thinking and problem-solving skills.
- Encourage learning beyond the syllabus.
- Foster teamwork, leadership, and communication.
- Connect mathematics with real-life applications.
