

RESPONSIBILITIES OF THE FACULTY CLUB COORDINATOR

- 1.To plan, organize, and implement activities while systematically maintaining records of meetings, attendance, and student involvement.
- 2.To promote environmental awareness and motivate members to participate in sustainable initiatives.
- 3.To represent the club in departmental and institutional meetings.

RESPONSIBILITIES OF THE STUDENT CLUB COORDINATOR

- 1.To assist the faculty club coordinator in planning, organizing, and implementing club activities.
- 2.To coordinate with club members and ensure effective participation in all programmes.
- 3.To communicate information regarding club activities to members in a timely manner.

ACTIVITIES CONDUCTED (2025–2026)

- The Carmel Greens Club was inaugurated on 08 August 2025, followed by a guest lecture on “Organic Farming: Preserving Traditional Knowledge” delivered by Dr. Dhilan Velip, Assistant Professor of Botany, School of Biological Sciences and Biotechnology, Goa University.
- An Exhibition on “The Plants of Matoli” was conducted to showcase traditional plant species used in Goan harvest and festive practices, thereby promoting indigenous knowledge and cultural heritage.
- An Eco-Trek to Cotigao was organized to enable students to observe local biodiversity and understand ecosystem dynamics through field-based learning.

DEPARTMENT OF BOTANY

The Carmel Greens Club of the Department of Botany, Carmel College, is a student-led initiative, and its logo reflects environmental awareness, botanical learning, and sustainability. The central tree symbolizes plant diversity, growth, and scientific curiosity rooted in botany, while the circular green 'CG' form represents Carmel Greens, signifying sustainability, continuity, and collective student action from the campus to the community. Together, the green hues and circular design express harmony with nature and reinforce the club's guiding motto, "Nurture Nature, Live Better."

VISION

To develop environmentally conscious learners committed to sustainable and responsible interaction with nature.

MISSION

To provide experiential learning opportunities that enhance understanding of biodiversity, ecology, and traditional botanical knowledge.

OBJECTIVES

1. To create awareness on environmental conservation and sustainability.
 2. To provide experiential learning related to plant diversity and ecosystems.
 3. To promote indigenous and traditional botanical knowledge.
 4. To develop scientific attitude and ecological responsibility among students.
 5. To encourage student participation in campus and community-based green initiatives.
- 

OUTCOMES

Members will be able to:

- Identify and appreciate local biodiversity and understand basic ecosystem dynamics.
 - Apply field-based observation skills to study plant diversity and environmental components.
 - Recognize the importance of indigenous and traditional botanical knowledge, especially in local cultural practices.
 - Demonstrate environmental responsibility through participation in sustainable and eco-friendly initiatives.
 - Develop a scientific attitude and ecological awareness towards conservation and sustainable living.
- 

RULES AND GUIDELINES FOR MEMBERS

1. Membership of the Carmel Greens Club is open to all students of Carmel College of Arts, Science and Commerce for Women, Nuvem-Goa.
2. The membership fee shall be ₹30/- per academic year and is renewable annually.
3. Members are expected to actively participate in the activities and programmes organized by the club.
4. Members shall maintain discipline and adhere to college rules and regulations during all club activities.
5. Members shall demonstrate environmentally responsible behaviour and promote sustainable practices within the campus and the wider community.
6. Attendance shall be recorded for all club activities and programmes.
7. Members shall extend cooperation to the student coordinator and faculty coordinator in the planning and execution of club activities.
8. The annual plan of activities shall be prepared by the faculty coordinator and student coordinator, in consultation with club members.
