Cleaning Today for a Better Tomorrow – Students of EcoVista Club actively participate in the beach cleaning drive at Majorda Beach.

Beach cleaning drive and outdoor fitness session

OUR VISION

To nurture critical thinking and informed decision making through Economics

OUR MISSION

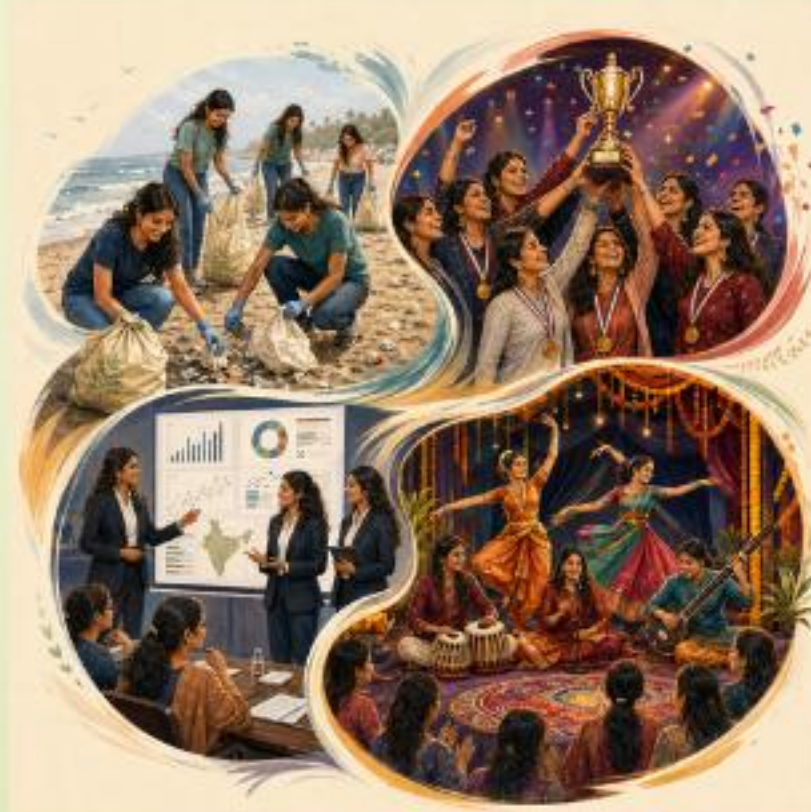

To Engage, Educate and Empower students beyond textbooks

ABOUT EcoVista

EcoVista - The Economics Club is the student leadership driven initiative of the Department of Economics.

We are a vibrant community that promotes interdisciplinary exploration, research, communication, and leadership skills.

Our goal is to bridge classroom economics with real-world applications and create economically aware, socially responsible citizens.

Carmel College of Arts, Science & Commerce for Women, Nuvem-Goa

Re-Accredited by NAAC with 'A' Grade CGPA Score 3.25 (4th Cycle)

Department of Economics

ECO VISTA

THE ECONOMICS CLUB
A VISION BEYOND CLASSROOM

Inaugurated: 5th August 2025

Explore Economics. Engage Minds.

Empower Futures.
