

ABOUT ITSā

Club ITSā serves as an inclusive platform that brings together students from all academic streams, courses, and sections of the institution.

The club is established with the objective of identifying, promoting, and providing opportunities for students to develop and showcase their diverse talents and creative abilities across various fields, including music, dance, theatre, literature, visual arts, and other forms of cultural expression. Through a range of cultural programmes, competitions, workshops, performances, and collaborative activities, the club seeks to foster a dynamic and intellectually stimulating creative environment within the institution.

It encourages active student participation, collaboration, self-expression, and appreciation of cultural diversity, while contributing to the holistic development of students. Club ITSā (Carmel College Cultural Club), therefore, aims to provide an appropriate platform for students to explore their potential, enhance their skills, and contribute meaningfully to the cultural life of the college.

(CARMEL COLLEGE CULTURAL CLUB)

A PLATFORM FOR EVERY TALENT

A SPACE FOR EVERY VOICE

VISION

The mission of Club ITSā envisions a vibrant and inclusive creative community where every student is encouraged to discover, develop, and celebrate their talents. It aspires to foster cultural awareness, creativity, confidence, and collaboration, while enriching the campus through diverse artistic and cultural expressions.

MISSION

The mission of Club ITSā is to provide an inclusive platform that nurtures and showcases the creative and cultural talents of students. The Club aims to foster creativity, self-expression, collaboration, and cultural appreciation through diverse activities, while contributing to a vibrant and enriching campus environment.
