MERCHANT GUILD

Vision

To cultivate a vibrant community of confident, innovative, and socially responsible students by fostering leadership, creativity, collaboration, and holistic development through academic, cultural, entrepreneurial, and community engagement initiatives.

Mission

Merchant Guild is committed to empowering students beyond the classroom by providing opportunities for experiential learning, leadership, innovation, and personal growth. Through competitions, workshops, exhibitions, guest lectures, industrial visits, cultural programmes, community outreach, and recreational activities, the club strives to inspire every member to discover their unique potential while contributing positively to society.

Objectives

To foster leadership, creativity, collaboration, and personal growth among students through meaningful academic and co-curricular activities.

To enhance students' understanding of commerce, entrepreneurship, financial literacy, and business practices through experiential learning and practical exposure.

To provide opportunities for skill development, networking, and engagement with industry experts, alumni, and the wider community.

To promote ethical values, social responsibility, innovation, and a spirit of lifelong learning among students.
