DEPARTMENT OF PHYSICS

CARMEL COLLEGE OF ARTS SCIENCE AND COMMERCE FOR WOMEN

Raman Club is the official student club of the Physics Department, inspired by the legacy of Sir C. V. Raman. The club aims to spark curiosity, encourage scientific thinking, and promote hands-on learning through activities that connect theory with real-world physics.

*"The essence of science is independent thinking and hard work."*

*– C. V. Raman*

# RAMAN CLUB

## About Us:

Raman Club was established in 2025 with a simple idea: physics should be experienced, not memorized. Through discussion, experimentation, and collaboration, the club helps students develop a deeper connection with the laws of nature.

## Raman CLUB Inaugural

"EXPLORING PHYSICS BEYOND THE CLASSROOM"

# RAMAN CLUB

## Vision

To build a community of curious minds that explores Physics through observation, experimentation, and independent thinking

## Objectives

- To develop interest in Physics and scientific research
- To encourage experimental learning and innovation
- To promote scientific discussions, presentations, and teamwork
